

Dear Patient:

DEDUCTIBLES:

We would like to remind you that if you have not met your deductible for the year, the office visit/procedure charges will be billed to you directly, even if you paid your co-pay or co-insurance at the time of service. We are unable to waive the deductible.

CO-INSURANCE:

Your co-insurance will be billed to you directly once the office visit has been billed to your insurance company. We are unable to waive the co-insurance fee as it is your responsibility.

ULTRASOUND:

In some cases your insurance may not cover the ultrasound as part of the office visit, in this instance the charge will be billed to you directly.

Thank you for your understanding and cooperation in these matters and if you have any questions please let us know.
